RE: Senate Bill 464-An Act Concerning the Failure to File for Certain Grand List Exemptions

Dear Senator Fonfara and Representative Scanlon:

CohnReznick LLP assists Raytheon Technologies Corporation-Pratt and Whitney (RTC-Pratt and Whitney) with Property Tax matters. We respectfully request that RTC Pratt and Whitney be included in Senate Bill 464-An Act Concerning the Failure to File for Certain Grand List Exemptions.

Due to an administrative oversight, RTC Pratt and Whitney submitted an incorrect Manufacturing Machinery and Equipment Exemption Claim (Form M-65) for tooling located at a supplier site for Grand List year 2021. We are seeking relief for the 2021 Grand List year under CGS 12-81 (76) for the Town of Manchester. This is an isolated occurrence, and RTC-Pratt and Whitney is a compliant taxpayer. RTC Pratt and Whitney has provided the Manchester Assessor with all available data but would like to seek relief for this one-time occurrence and pay the appropriate fee relating to the late filing.

Thank you for your consideration in this matter and your continued support of RTC Pratt and Whitney and Manufacturing in Connecticut. If you have any questions, please feel free to contact me at 860-728-6431 or jason.williams@rtx.com.

Respectfully Submitted:

Jason Williams
